

St MICHAEL THE ARCHANGEL. TEIGNMOUTH
STITCH-IN- TIME REPORT 2019/20

Dear friends

Since March we have – of course - been unable to have our regular monthly meetings due to the present circumstances and, due to various reasons, we have lost several members. However, the group has – over the last twelve months – raised a significant amount of money which has been donated to church funds. Our stock of saleable items has been somewhat depleted recently but we are working to replenish them as fast as we can. We hope to be able complete to a range of items for sale in the very near future.

We are of course, a church group but, contrary to popular belief, new members do not have to attend St Michaels or any other church for that matter. We are a group of people who enjoy sharing the crafting gifts that we have been blessed with and we would welcome any new members who would like to share their skills with us. Anything that members produce during our meetings belongs to them but we are always glad of any donations to our craft stall. We normally meet on a Saturday afternoon from 2 till 4 pm in the lower narthex. If you know anyone who would like to join us, or indeed if you yourself might be interested, I am available to speak to on Sunday mornings.

Finally, if you have any requirements for knitted or crocheted items for friends or family, we are always ready to produce or advise on availability. All proceeds go to St Michaels Church.

On behalf of all Stitch-in-Time members, I wish you all good health and every blessing.

Liz Whitty.
