FAQs...

What is Teignmouth Hub?

- Teignmouth Hub is right next door to the Methodist Church. It is a space for Christians of all denominations to work together.

Where is the Prayer Room?

- At the back of the Hub is the office space, which will be decorated and used solely for prayer during this week. Details of access will be given when you book a slot.

Can children come?

- Activities will be suitable for children in KS2 upwards, but we ask that anyone under 18 is accompanied by an adult.

How will I be safe?

- There will often be other groups meeting elsewhere in the building, but the Prayer Space has its own entrance you can use. There will be a contact number given you. During the night, the building will be staffed, and you are asked to come in pairs or groups rather than alone.
